Go onto www.whiterosemaths.com and complete lesson 2 in Week 6 (Sharing) and then complete the attached worksheet.

English: We are continuing our Writing Sequence about instructions..

ANALYSIS: Attached are different sets of instructions. Read through the instructions, then choose one you would like to try. Follow the instructions exactly. Are the instructions easy to follow? Think about what features make a good set of instructions. For example do pictures help? Do they tell you what equipment you need?

Annotate the instructions showing which the features. (Numbers or bullet points/bossy verbs/ in order/equipment list/pictures or diagrams).

History: School days. We will be looking at how school has changed over time. Watch the following clip about school.

<https://www.youtube.com/watch?v=L9xepFcYlaE>

Think about what school is like for you. What do you wear? How do you learn? What subjects do you do? What games do you play at playtime?

Now talk to your parents/grandparents and find out what primary school was like for them.

Questions you could ask

When did you go primary school?

What lessons did you do?

What was your classroom like?

What games did you play?

How did you find out about things?

Write a few sentences about what you found out and draw pictures.

Don't forget to go outside and enjoy the sunshine

Read and share books with someone at home

Have a great day

Mrs. Edgeworth
