

Year 2 Instructions for Wednesday 3rd June 2020.

Good Morning! I hope you found out some interesting facts about your parents' school days!

Spelling: We are still thinking of words that end in "tion". Can you complete the crossword attached to home learning page. (Hint the words were in the wordsearch yesterday). In your books can you think of sentences using the words potion, attention and celebration.

Maths: Go onto www.topmarks.co.uk and play hit the button, division facts, try 2, 5, 10. <https://www.topmarks.co.uk/maths-games/hit-the-button>

Then go onto www.whiterosemaths.com and Week 6, Lesson 3. Make sure you have finished any uncompleted work first. Watch the video (grouping) and then try the 2 attached worksheets.

If you want to explore any more then try BBC Bitesize daily lessons for Year 2 and see what else you can find.

English: SKILLS. If you need to, finish any previous work first. We are going to be looking at imperative verbs (bossy verbs) Watch the following youtube clip to remind you what imperative verbs are:

<https://www.youtube.com/watch?v=oApd0goKJDM>

Look back at the instructions analysed yesterday, with a highlighter or felt tip, highlight the imperative verbs you can find. Remember they will usually be at the beginning of the sentence and they are telling you to do something.

Then complete the worksheets attached to home learning page.

R.E. Before Half term we were looking at sacred places and we looked at the sacred place for Christians, the church.

This half term we will be looking at the sacred place for Muslims, the mosque. In your books write or draw anything you have already learnt and remember about Muslims and the mosque.

Then find out about what happens in a Mosque with Lola and Zara.

<https://www.youtube.com/watch?v=GWi7plHFJl8>

Using the word mat and the programme to help, label the parts of the mosque on the attached sheet.

Music: Go onto www.charanga.com and explore some of the things that I have put on. Some of you have had a look, others haven't yet so see which music and games you can enjoy.

Remember to continue reading and share books with someone at home.

Have a great day

Mrs. Edgeworth.
