

Morning year 4

Over the final two days of term you are going to move through the sequence of tasks linked to the purple mash Greek Mathos text. (In the holidays, you could even continue using this sequence through all the chapters if you like!)

Today and tomorrow, you should try to complete a chapter a day if you can.

So your sequence is to

- a) Read the chapter
- b) Complete the pdf multiple choice for that chapter
- c) Complete the sequencing for that chapter
