

## Reception home learning week commencing 13<sup>th</sup> July - What the Ladybird Heard

Hello!

Can you believe we are in the final week of the school year?

This week we will be continuing to work on the plan from last week as the children had 1 day in the woods and 2 days at home! So we will be reading *What the Ladybird Heard* by Julia Donaldson and completing activities from last week's plan.

Well done for getting this far with your home schooling, working, parenting and all round 'keeping everything held together' roles! It has been a crazy few months which at times has been very stressful so give yourself a giant pat on the back! We would love for you to have a fun-filled and care-free summer holidays so...

I have attached a sheet with 50 things to do this summer which should spread some happiness and silliness within your families. Please take part and see how many you can cross off.

Please continue to read with and to your children over the summer and let them take the lead with anything else that may interest them. Get outside and enjoy being surrounded by nature; encourage them to take in the smells, sights and sounds around them and talk about how it makes them feel. The children's mental well-being is, and will continue to be, a priority for us. The online learning from this term will stay on the website if you decide you need a little more structure but that is only an option should you choose that route.

We can't wait to welcome you all back in September and hopefully get things back to our new 'normal'!

Have a wonderful Summer!

Mrs Jervis, Mrs Edgeworth and the Acorns Team.
