Friday 10th July 2020

Good Morning Oaks

Today I have included some new links for PE activities from Mrs Asher, who organises the cluster sports events. They look interesting and I thought they might be fun to do over the summer holidays.

If you have any reading books at home, please could you return them to school before the end of next week. We will be putting together new packs of reading books for the children to read over the holiday, so if your child (or their sibling) won't be in school next week, please contact us to arrange to collect them.

Thank you.

Have a good weekend.

Here are your activities for today.

PE Here are the links to some new activities for you to try.

- National Cricket Week Activities

Reading for 20 minutes – I have attached this week's Picture News newspaper and assembly resources. (Don't miss the socially distanced dogs link in the newspaper!)

English

Today is your planning lesson and you will be generating ideas to fill your diary extract with description of the battle setting. See the instructions from Ms Pickard.

Maths

Ms Pickard and Miss Bamber have set today's maths tasks for Y3, Y5 and Y6.

Art

See Miss Bamber's instructions for this week's art activities.
