Good Morning Oaks

Thank you to everyone who took part in the virtual tennis and athletics festivals. Almost all of the scores are in now and you have performed brilliantly. I know that the children in school made huge improvements in their skill and their scores, the more they practised. Well done to all of you! I will be submitting the scores tomorrow - fingers crossed that we have done as well as the other schools that entered, or even better!

I have had the pleasure of listening to a few more of your poems today. The standard is very high and I can tell how hard you have tried and how much you have enjoyed writing them. Keep sending them in.

Here are your activities for today (you can do them in any order).

PE (Morning Mile or other activity)

Reading for 20 minutes – THE MOST IMPORTANT! I have posted the Picture News newspaper and Picture News assembly facts and poster for you to read and discuss at home.

English

Today is your skills lesson and you will be reviewing some of the grammar that you have covered this year. See the instructions from Ms Pickard.

Maths

Ms Pickard and Miss Bamber have set maths tasks for Y3, Y4, Y5 and Y6.

French and DT

See Mrs Smithson's activities on the Oaks home learning page.

Enjoy your learning.
