

Hello y5 the last two days of the week we are revising our reading/grammar/spelling skills.

You will need your English revision booklet:

It looks like this and I gave it to you at the beginning of lockdown.

As we have moved on to these tasks at the end of Literacy sequences, everyone is at a different point in the booklet.

Where are you up to?

Please go back and move through these set pages (during the next two days) if you have not already completed up to the point of the new set task.

Task 1: pages 11-13(up to pet writing)

Task 2: pages 25-27

Task 3: page 35

New task: page 37 then page 39 then page 41
