

Friday 17th July 2020

Good Morning Oaks

This is the last day of home-learning before the summer holidays. Well done for all your hard work. We are very proud of you and we are also very grateful to your parents for all their help and support.

Have a wonderful summer break and I will look forward to seeing you all back at school in September.

Here are your activities for today:

Reading or listening to chapter 3 of Story time with Ms P.

Don't forget to keep reading for pleasure through the summer holidays!

I have attached this year's Reading Challenge from Mrs Edgeworth.

English

See the instructions from Ms Pickard.

Maths

See the Maths tasks set by Ms Pickard and Miss Bamber. I have set the Year 3s some maths puzzles for a bit of fun on the last day!

Art

Last week we looked at landscape paintings by the artist, David Hockney. Some of you had a go at reproducing a section of one of his paintings and the results were brilliant. This week, I would like you to create a collage of a landscape. You could use scrap materials, torn paper strips or natural materials. Your landscape could be in the style of David Hockney's paintings or you could create it in your own style. Have fun and I would love to see some photographs of your artwork when we return to school.

Miss Bamber
