Newsletter Issue 6 2021-22 Friday 20th May

Dear Parents and Carers

## Welcome

This term a pupil has joined Osmotherley School from Ukraine. Stas has settled remarkably well into the Oaks class and I have been delighted by the warm welcome that all the children have given him.

## SATs

Last week, the KS2 SATs took place for Year 6 pupils across the country. The display boards in the hall had to be covered up and two members of staff or governors had to invigilate. This can be quite unnerving, even for a group of children, but our only Year 6 pupil this year took it all in her stride. She was calm and composed and remained focused and positive all week. Well done, Mia, we are very proud of you!

The children in Year 2 will complete their end of Key Stage 1 assessments next week and the Year 1 phonics screening check will take place during the first week after half term. This year, there will also be a statutory multiplication check for Year 4 children in June. Everyone has been working hard in preparation for these assessments. Thank you to all parents and carers who have been supporting their children with reading, spelling and mental maths practise at home. Your help is invaluable and very much appreciated.

## New Starters

This week our early years team, Mrs Jervis, Mrs Edgeworth and Mrs Jackson, held a welcome meeting for the parents and carers of our new starters. The children have already begun their familiarisation visits in preparation for starting school in September and so far it is going well.

## The Queen's Platinum Jubilee

To celebrate this special occasion the children from school and pre-school will be having a playground 'street party' and eating their lunches at trestle tables in the playground on Thursday 26th May from 12.15 to 1.15pm. If any parents and carers would like to bring their own packed lunch and join us, please let Mrs Mansfield know and we will save you a seat and a jubilee cake. The children will all be decorating a strip of card to make a crown to wear at the party (they can do this at home or at school) and afterwards, the crowns will form part of jubilee decorations in St Peter's Church. Please note that this event will take place instead of the usual end of term celebration assembly.

## Sun Safety

Please remember to apply sun-cream and send the children in with a hat on hot and sunny days. Thank you.

Best wishes, Miss Bamber

Our Y2 pupils represented Osmotherley at the cluster Multi-skills event on 3rd May and came home with three medals. Well done to the whole team. Mrs Bramley and Miss Haynes were full of praise for their enthusiastic participation and excellent sportsmanship. (Photos on website)

**Online Safety** In June the school staff will be updating their online safety training. As part of our computing and PSHE curriculum, the children in every year group learn about the risks of being online and how to keep themselves safe. There are some excellent sites with information for parents and carers on the opening page of our school website (e-safety tab). Please have a look. **We can never be too careful!** It is vital that parents and carers supervise internet use and set parental controls so that they know what their children are doing online and who they are communicating with. If you would like any help or advice, please contact Miss Bamber.

## After-School Clubs

### Morning Mile

Every Monday, Wednesday and Thursday from next week!

8.25 am—8.55 am

All Y1 - Y6 pupils and parents are welcome to join us for a run before school (FS children can join in too if they are accompanied by an adult).

Please arrive at 8.20am. Children can wear joggers or leggings with their school tops all day but they will need a change of shoes .

### After-School Yoga

Thursdays

3.30-4.30pm.

### Dance and Gymnastics Club

Tuesdays

3.30-5pm

See flyer from SCSS for further details.

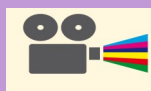

Due to falling numbers, the Mixed Sports Club on Fridays will not be running next half term.

### After School Minecraft Club

Minecraft Club continues on **Monday** from 3.30 –4.30pm. School iPads are provided but children are also welcome to bring their own devices, which can be stored in the school office during the day. If your child would like to join, the information is on the school website.
