

Osmotherley Primary School

Newsletter Issue 7 2021-22 Thursday 21st July

Dear Parents and Carers

They say that time flies when you are having fun and maybe that is why the summer term always seems to pass by so quickly. This half term has been a busy one: in addition to all of the learning, the children have all taken part in a number of special events.

Liverpool Residential Visit

The Year 5 and 6 pupils had a fantastic residential visit to Liverpool. The children had the opportunity to deepen their learning in Art, RE, Geography, History and PSHE. Ms Pickard and I were delighted by their enthusiasm and interest. They were great company and a real credit to their families!

Music for Life

Both classes were treated to a musical performance followed by a half-day workshop led by percussionist, Janet. The workshops culminated in an incredible performance by each class, involving every child from Reception to Year 6. You can watch the videos on the website.

Shakespeare Workshop

The children were also treated to a drama workshop, where they took part in a simplified performance of 'A Midsummer Night's Dream'. The actor worked with the children to bring the play to life and made it accessible even to the youngest pupils.

Sports Day and BBQ

Our annual sports day and BBQ were a great success. We had the most perfect weather and it was wonderful to see so many families there. (Photos are on the website). A huge thank you to Michelle and the Friends of School for organising and running the BBQ, and the summer disco and for all of their fundraising efforts. Thanks to you, we have been able to expand our collection of quality books and resources for the children in school and it has also helped us to offer exciting opportunities, such as the Music for Life and Shakespeare workshops. If anyone would like to get involved with the Friends of School, please let us know.

Butterfly World and Deer Shed Festival

This week, the Acorns are excited about extending their learning in science by visiting Butterfly World. On the same day, the Oaks are attending the Deer Shed Festival and will have the chance to take part in a variety of Arts activities. I'm sure that the children will enjoy their visits and learn a lot. They all deserve a treat after working so hard all year (and for coping with the extreme temperatures earlier this week).

Reports

Last week, all parents and carers should have received their child's annual end of year reports by email.

Leaver's Service

On Friday, we will be holding the first leavers service since July 2019! We hope you can join us to give our leaving pupils a rousing send-off.

Summer Break

Have a lovely summer break and please remember to encourage your child to read as often as possible in the holidays. That is the best way to ensure that they make a flying start in their new classes in September.

Miss Bamber
