

Osmotherley Primary School

Newsletter Issue 4 2025-26 Friday 23rd January

Dear Parents and Carers

We are now fully in the swing of the new term. The children returned after the Christmas break, refreshed and ready to learn, and January has brought us two new families. We are delighted to welcome Polly, Bobby and Molly to our school family and we hope that they will be very happy here.

Swimming Gala

Congratulations to the children in Year 5 and 6 who volunteered to represent the school in the Northallerton cluster swimming gala on the 7th of January. It was an exciting competition and they thoroughly enjoyed taking part. The children swam brilliantly against some stiff competition. Very well done to Anna for winning a medal in the breaststroke race.

Cross Country

This week, the Key Stage 2 children took part in an inter-schools cross country event in Northallerton. The weather was dreadful but it didn't dampen their enthusiasm. All of the Osmotherley pupils completed their races and, as usual, the supporting cheers from their friends (and teachers) were louder than all the other schools combined! Congratulation to our medal winners: George, Frederick, Renn and Anna.

Living Streets WOW Walk to School Challenge

As part of our commitment to reducing congestion and pollution and to meet part of our school climate action plan pledge, we have opted to take part in a year-long initiative to encourage travelling to school on some days by bike, scooter or on foot. There is also an option to 'drive and stride' so pupils who live further away can participate by parking and walking the last 10 minutes of the journey. More details will follow after an assembly to introduce the idea to the children.

Online Safety

Please follow this link for some really useful parent advice and videos about balancing children's screen-time. <https://www.internetmatters.org/resources/creating-a-balanced-digital-diet-with-screen-time-tips/>

NHS Togetherness

Please find attached a lovely resource from NHS with advice and helpful resources for parents experiencing all the big emotions of growing children. Togetherness the NHS emotional health digital learning hub funded in our area. Your family has free access to expert learning about childhood development, wellbeing, brain changes, and much more.

Ofsted

Please find attached a letter from Jo Robinson, the CEO of YCAT, with information about the new Ofsted inspections and how they will be reported to parents.

Minecraft Club

We are hoping to offer a new after-school Minecraft Club on Mondays run by Miss Haynes. Please let us know if your child would be interested in attending. We have requested licences for 10 iPads but if more than 10 children are keen, we can increase this to 15.

Training Day After February Half Term

Please note that the Monday after half-term is a PD day and the teachers will be joining the other YCAT schools for a day of training.

Best wishes and thank you all for your continued support,
Miss Bamber

DATES FOR DIARIES
